Carlos Castro: carloscastro@jjteixeira.pt

"The Customer Dreams, We Accomplish" is the company's slogan. We guarantee a full service, assuring all the job's stages to the achievement of the customer's desire. All the wood pieces are custom designed in the project cabinet, and then produced in the factory. The placement is executed by an experienced team, always assuring high quality results. From floor to ceiling and decorations, wherever it might be, in Portugal or in the whole world, J&J Teixeira guarantees the best solutions to make any carpentry project come true.
